

2009 Structural Improvements (Roadway Resurfacing Project)

Contractor: Laydon Industries, LLC
51 Longhini Lane
New Haven, CT. 06519

Project Manager: Edward Hellauer

The roadwork includes the pavement resurfacing, pavement patching, installation of new curbing, manhole adjustments, utility structure adjustments, sidewalk ramp construction, pavement markings, bridge joint repairs, bridge deck resurfacing (Walnut Street Bridge only) and restoration of disturbed areas. The project is scheduled to be completed by December 2009. The projects include the following streets:

Roadway Resurfacing: Naubuc Avenue – Broad Street to Main Street
O’Connell Drive
Shadycrest Drive
Woodycrest Drive

Bridge Joint Repairs: Forbes Street Bridge @ Porter Brook
Hillside Street Bridge @ Hockanum River
Long Hill Street Bridge @ Railroad
Walnut Street Bridge @ Hockanum River

Bridge Deck Resurfacing: Walnut Street Bridge
Work on the bridge joints and deck will require Walnut Street to be closed to all traffic between Burnside Avenue and Cummings Street for approximately five weeks. Further information on the road closure will be provided as it becomes available.

Inspector: Dewberry-Goodkind, Inc.
59 Elm Street, Suite 101
New Haven, CT 06510-0247

Chief Inspector: William O’Keefe
